

Combine the power of Actionstep's legal practice management software with LawToolBox's court rule and deadline management system and ensure you never miss another deadline.

LawToolBox

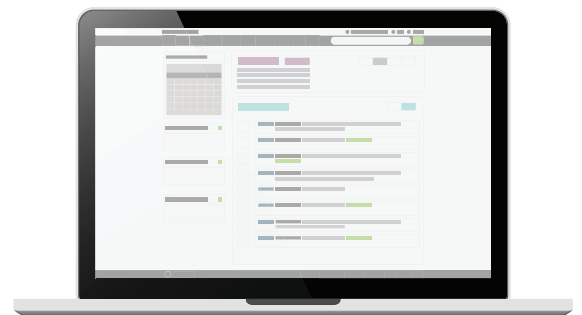

LawToolBox's court rule and deadline management system combines rules-based calendaring with case-specific deadlines and events, ensuring nothing gets missed.

Key Features:

- ◆ Import dates for specific case types in jurisdictions all over the United States
- ◆ 'Trigger dates' instantly calculate deadlines
- ◆ Easily customize the deadline calculators
- ◆ Choose required deadlines for each of your matters in Actionstep
- ◆ Add additional deadlines to matters at any time

Key Benefits:

- ◆ Rule-based calendaring automates your administrative tasks, so you can focus on your cases
- ◆ Deadlines are automatically synced to your calendar, and dates are updated on a daily basis
- ◆ Push notifications help minimize the risk of you missing any important deadlines
- ◆ Select which dates to show or hide to help you focus on important tasks

Actionstep has everything you need to help manage your deadlines.
