

LAWTOOLBOX CALENDAR IN NETDOCUMENTS

Microsoft
Partner

2021 Partner of the Year Finalist
Commercial Marketplace Award

Matter Calendars in NetDocuments

Automatically calculate rules-based deadlines for any practice area with thousands of courts in all 50 states and countries worldwide.

Connect Docketing to NetDocuments

Enable centralized docketing with dashboards to see upcoming deadlines, matters, events, and more linked to documents in your DMS.

Microsoft Teams + NetDocuments

Manage cases and clients with powerful tools for intake, onboarding, contact management, and more in Microsoft Teams, Outlook and Sharepoint.

LAWTOOLBOX + NETDOCUMENTS

LawToolBox transforms Microsoft 365 for lawyers with award-winning features including a rules-based deadline calculator, automated calendaring, matter management, and more.

Easily streamline your workflow to save time, eliminate error, and reduce the risk of malpractice from missed deadlines.

MIKE DUNN

Director, Business Programs
Digital Justice, WW Pub Sec
at Microsoft Corporation

SOLUTIONS

LAWTOOLBOX DEADLINES + NETDOCUMENTS FILES + M365

Streamline your workflow with legal tools to help you:

- Manage your calendar from Netdocuments, Outlook, Teams or mobile
- Connect NetDocuments workspace to Microsoft Team
- Pre-configure Microsoft Teams with your own apps, channels and tabs
- Auto-calculate deadlines for litigation, transactional, administrative matters
- Unlimited access to thousands of rule sets for 50 states and countries worldwide
- Seamlessly update outlook calendars for all team members
- Use authority links in deadlines to analyze complex rules
- Attach secure links for NetDocuments files to any deadline
- Generate reports by case, time-keeper, practice area or firm
- View history of who edited what deadlines and when

BENEFITS

Never Miss a Deadline

Enjoy peace of mind with real-time notifications and automatic updates when court rules change.

Save Time with Automation

Save hours every week by automating the tedious task of calculating and calendaring rules-based deadlines.

Eliminate Human Error

Mistakes happen. Protect your practice and make sure your deadlines are always 100% accurate.

Reduce the Risk of Malpractice

Missed deadlines are the #1 cause of malpractice. Earn a discount on your malpractice insurance premiums for reducing risk with electronic docketing.
